SLIP RATING (WET)	AS/NZS 4586 Wet Test Classification X (Medium) 41 BPN
SLIP RATING (DRY)	AS/NZS 4586 Dry Test Classification F, Mean COF 0.75

PACK INFORMATION

PACK SIZE	1.444 m ²
PIECES PER PACK	4 full planks + 1 split board (20% shorts)
PACK WEIGHT	19.71 kg

HAVEN PROFILE

HAVEN FEATURE GRADE

Haven feature grade timber offers a more expressive display of natural character. Larger knots, some visible cracks, and colour and grain variation bring a sense of warmth and texture to any space. This grade celebrates the timber's natural beauty, making it perfect for adding a statement of organic charm. Features like knots and cracks may be filled with coloured wood filler to create a balanced, polished appearance.

CARE & MAINTENANCE

For Residential and Commercial care and maintenance, please visit www.forte.co.nz/advice/timber-wall-and-ceiling-panelling-care-and-maintenance-guide.
